HTML, CSS, Bootstrap, JavaScript, jQuery, Angular, React, NodeJS, UI Design, Git, Github, Frontend Development, Web Development, RESTful APIs, Testing, Cross-browser Compatibility, Browser Developer Tools.

INTERSHIP WORK EXPERIENCE

✅ **Outgrow.co (Feb - June 2023)**

Outgrow is a tool for creating quizzes, assessments, surveys, polls, contests, chatbots, product recommendations & calculators that generate leads.

- **https://outgrow.co**

PROJECTS

✅ **HRMAVEN (HR Management System)**

- Developed HRmaven, an innovative HR Management System using Angular, offering streamlined employee management, performance tracking, and comprehensive HR functionalities. Implemented modern web technologies to ensure a responsive and user-friendly interface, enhancing the overall efficiency of HR processes.

✅ **Adventure Trip**

- Adventure Trip is a dynamic and user-friendly website built using React.js, designed to provide a seamless platform for adventure enthusiasts to explore and plan their next thrilling journey.
- Implemented advanced state management with React.js in Adventure Trip, facilitating real-time updates and seamless synchronization of user preferences, ensuring a personalized and responsive travel itinerary for each user

✅ **ShortPost**

- Led development of ShortPost, a dynamic social media platform akin to Instagram, showcasing strong technical and leadership skills. Successfully implemented innovative features, fostering user engagement. Demonstrated proficiency in full-stack development and project management, contributing to a compelling and user-friendly platform.
- Integrated React.js on the front end of ShortPost to deliver a visually appealing and responsive user interface, enhancing the overall user experience. Leveraged component-based architecture and state management for efficient data rendering and dynamic content updates, resulting in a modern and feature-rich social media application.

✅ **Interview Preparation**

- Developed a full-stack web app with React.js (frontend) and Node.js (backend). Implemented secure user authentication, interactive learning modules, resume builder, job applications, mock tests, and coding challenges. Showcasing expertise in React.js and Node.js, this project underscores my ability to deliver a complete interview preparation platform.
